Sir:

In response to a telephone call from Examiner Woods on March 6, 2006, Applicants respectfully submit the following statement.

Foreign Priority

Applicants previously submit English translations of the two priority documents (Japanese Application Nos. 2002-340711 and 2003-44052) to perfect the foreign priority claim. Applicants believe that the English translations of the certified copies of the priority documents (Japanese Application Nos. 2002-340711 and 2003-44052) that were previously submitted are true and *accurate translations of the certified priority documents*.

Respectfully submitted,

David L. Tarnoff
